

Legal Service Plans

Your group can choose from two group plans, Access Legal Service or Prepaid Legal Service.

Access Plan

Your Group Access Legal Service Plan provides Plan participants with access to attorneys who will answer legal questions, write letters and review documents relating to personal legal matters. In addition to the plan participants, their spouses or domestic partners who are living with the Plan participant; unmarried, dependent children under the age of 19 (or under the age of 25 if the child is wholly dependent upon the Plan participant for support and maintenance and is enrolled as a full-time student); and dependent parents are covered.

The initial point of contact for every participant is the toll-free number to the National Legal Office of Feldman, Kramer & Monaco, P.C. If necessary, they will make referrals to local participating attorneys.
