Important Questions	Answers	Why this Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	<b>\$0</b> person / <b>\$0</b> family In-network <b>\$1,000</b> person / <b>\$3,000</b> family Out-of-network	Generally, you must pay all the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	<b>\$2,250</b> person / <b>\$3,500</b> family In-network <b>\$2,500</b> person / <b>\$5,000</b> family Out-of-network	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Penalties, deductibles, <a href="#">premiums</a> , <a href="#">balance billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.umar.com">www.umar.com</a> or call 18008269781 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (a <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.

Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
 All <a href="#">copayment</a> and <a href="#">coinsurance</a> costs shown in this chart are after your <a href="#">deductible</a> has been met, if a <a href="#">deductible</a> applies.
