**VETERANS
DAY**

**HONORING ALL
WHO SERVED**

IT'S ALL ABOUT THE **In-Service**

Interested in applying for in-service? Please read through the following document first!

WHAT IS IN-SERVICE?

In-Service in the PCSD is centered around pupil learning experiences and ways of improving them. **In-service education should result in improved practice.**

The work may consist of college courses, workshops, local courses, travel, or other improved work.

HOW TO APPLY?

You can get the in-service form from the main office in your building. Complete the form fully and attach documentation with information regarding the course summary (i.e. print out from Frontline). **MAKE A COPY FOR YOURSELF**, then interoffice mail the forms to Human Resources.

What qualifies as in-service?

- each course must be a minimum of 3 hours
- the course must be relevant to the PPSTA member's position
- the course must be done outside of the school hours

Why did my in-service get denied?

- ✗ -Did your form not make it to Human Resources on time?
- ✗ -Was the course completed during the school day?
- ✗ -Was the course not a minimum of 3 hours?
- ✗ -Did you not attach documentation about the course?

**THESE ARE ALL REASONS
YOUR IN-SERVICE WOULD
BE DENIED!**

Good News!

If your request got denied due to a documentation error (i.e. you filled out the form incorrectly or forgot to attach a printout about the course), you can make the correction and resubmit!

PLEASE:

Try to turn in your forms to Human Resources as soon as possible. Your form is time stamped from the moment it is opened, **NOT** the moment you submit it. Forms must be time stamped prior to the start of the course to be considered for approval.

Stay up to date!

Always check your email and mailbox for any updates to your in-service application.

For a non-emergency situation, if you are out of the country less than 6 weeks, the \$250 Copay would apply to any service and the balance of the charges would be paid as an out of network benefit subject to the NPPO deductible (\$1,000) and coinsurance (30%).

When you travel in a foreign country, we recommend that you get some temporary travel insurance that is appropriate for the country you will be visiting.

Passage of the **AMERICAN RESCUE PLAN**

- \$170 billion in dedicated funding to advance the process of returning to in-person instruction in K-12 school buildings.
- \$350 billion in state and local aid to help avoid lay-offs of educators and other essential public servants.

Passage of the **INFLATION REDUCTION ACT**

Your statewide union has a political fund-raising arm called VOTE-COPE. VOTE-COPE is NYSUT's non-partisan action fund that coordinates the voluntary contributions of members and supports NYSUT-endorsed candidates and campaign committees that are pro-public-education and pro-labor.

No NYSUT dues dollars are used to support candidates or campaign committees.

NYSUT sends rebates to local unions based on a percentage (up to 40 percent) of the contributions VOTE-COPE receives from that local union's members. Those rebates can be used in local activities such as school board races and for passage of school budgets.
