

A vision plan that's more than an exam and eyewear benefit.

We provide numerous valuable plan features and network choices for employees.

Enhanced maternity and pediatric benefits.

Vision changes during pregnancy and throughout a child's school years are common, so we've added more coverage without adding more cost.

Two eye exams are covered each plan year for mothers-to-be and children up to age 13. If their prescription changes 0.5 diopter or more, a new pair of eyeglasses are also covered. Copays apply.

A large, balanced network — locally and nationwide.¹

- 170K access points nationally — and growing. Our vision network has doubled in just 7 years.
- 1,765 private and 2,980 retail access points in New York, plus access to online providers Warby Parker and GlassesUSA.com
- 95.6% of New York members chose a network vision provider in 2019.²

48 of the top 50 vision retailers,³ with a wide variety of price points.

UnitedHealth Group is invested in New York.⁴

Savings on blue light protection

Excessive screen time on computers, tablets and cell phones may affect vision and cause digital eye strain due to the blue light they emit.¹ And since the onset of COVID-19, people are spending an average of 13 hours per day on digital devices.² That's why we're providing savings on blue light blocking screen filters with UnitedHealthcare Vision plans.

Help employees reduce eye strain.

UnitedHealthcare Vision members have access to discounts on blue light blocking screen filters for select smartphones, tablets and laptops from Eyesafe®.

Eyesafe screen filters are designed to:

- Reduce exposure to high-energy blue light
- Help maintain color quality and luminance
- Offer a simple, lower cost option to filter blue light on existing devices
- Be easily applied to your device

Members can access the discount through myuhcvision.com
